### HOLSCHER LUCKY FIND FOR SHIELDS

Bought Last Year for \$800,  
His Gameness in Wash-  
ington Cup Surprise.

Before the biggest crowd of the meeting and one of the biggest the Benning track ever has held, Willie Shields' Holscher repeated yesterday in brilliant fashion, by winning the Washington Cup in a gallop. On Wednesday he carried off the \$2,500 Dixie, at a mile and three-quarters.

Holscher has proved a lucky investment for W. Shields, who bought him last summer for a little more than \$800 after James B. Brady had tried in vain for a year and a half to win any kind of race with him. Since Shields has been handling him the colt has won purses of the gross value of nearly \$15,000. His remaining engagement here is in the Maximum on Saturday, when three-year-olds and upward will go three miles for a purse of \$1,500 and the event seems to be at his mercy if he came out of yesterday's race in good shape.

Another case of foul riding, though clearly unintentional in this instance, came before the stewards, and quite rightly they disqualified the offender. This was Bright Boy, who was ridden by Guy Burns in the mile handicap for two-year-olds, and the awarding of the race to Orphan Lad cost the buyers a pretty penny. Belcast was a receding favorite for the race, going out from even to 12 to 10, and the strongest play was on Orphan Lad, whose price was cut half a point to 25. Bright Boy, on the other hand, had a few supporters, and after opening at 100 went out to 100, and in many books 20 to 1. He ran an excellent race, making all the pace, and probably would have cashed if he had kept straight. But at the end of the stretch he nearly got away from little Burns, bearing out toward the outer rail and carrying Orphan Lad with him. When finally straightened he ran on gamely to the end and passed the judges a length and a half ahead of Orphan Lad, but the interference from which the latter horse had suffered was so obvious and aggravated that the claim for foul was allowed promptly.

Jockey J. Jones bought August Belmont's Lord of the Vale for \$1,750. Jones has decided to follow the example of Frank O'Neill, Odom and others, and give up riding in favor of racing a stable of his own.

The race won by Holscher was one of the finest exhibitions of courage and endurance ever displayed by a thoroughbred. He was not within fifteen pounds of his best form and his ankles were so swollen that a liberal application of cocaine failed to kill the pain. He was a cripple and would have been much better off in a hospital. But as the season is nearly over and a long rest ahead of him his owner, William Shields, determined to start him.

It was a glorious day for J. W. Colt. His horses finished in front three times. Rose of Dawn, Commodore Fontaine and Pioneer won for him the first, third and fourth races, respectively.

Commodore Fontaine won the steeplechase for three-year-olds by leading from start to finish.

Bright Boy, the horse that was disqualified for a foul Wednesday, met a similar fate yesterday. He finished in front of Orphan Lad in the sixth race but to secure a winning advantage he fouled Orphan Lad.

Bright Boy gained a record, for no horse had ever been disqualified two

### CARLISLE BARELY DEFEATS VIRGINIA

Old Dominion Eleven Fights  
Gamely, But Is Out-  
classed by Redskins.

NORFOLK, Nov. 29.—Carlisle downed Virginia yesterday before 8,000 persons at Lafayette Field by a score of 18 to 17. Virginia died hard and it was a heart disease finish for her rooters. Try as she could, the University boys from the Old Dominion College could not score the two points necessary to win, and it was a dejected crowd that left the field. Carlisle, however, was not without her admirers and the friends of the noble Red Men let loose many yells at the conclusion of the game.

For all-around work Virginia was not in it with her adversaries. The Red Men looked better in the training, there was more system in their plays and they were heavier than the Virginia lads. In the straight mass plays Carlisle was far better than the Virginians, but the latter scored some fine long runs. Johnson, for instance, made an eighty-yard run without serious molestation on the part of Carlisle. Virginia failed to kick one goal and this added to her troubles. If Carlisle had not continually fumbled Virginia's punts the Red Men would have won by a far larger score. It was the beautiful line work of the Redskins that caught the crowd, and the team worked like a well-oiled piece of machinery. They were better, too, at mass and the Virginians, with their flying wedge, might as well have tried to cut through the sides of a battleship.

### S.S.S. A CERTAIN SAFE TREATMENT

Even if mercury and potash could cure Contagious Blood Poison, the condition in which these strong minerals leave the system would make the cure worse than the disease. But they cannot cure the vile disorder; they can only cover up the symptoms for awhile, to break out with renewed violence when the treatment is left off. When the virus of Contagious Blood Poison enters the blood the entire circulation becomes poisoned, and the loathsome symptoms begin to appear. The mouth and throat ulcerate, hair and eyebrows come out, glands of the neck and groin swell, copper-colored spots appear on the body, and in severe cases sores and ulcers break out, and even the bones become diseased. S. S. S. is the only certain, safe cure for Contagious Blood Poison; thousands have been cured by it after failing with the mineral treatment, Hot Springs, etc. It is the only remedy that is able to get at the root of the disease and force out the poison so that no signs are ever seen again. S. S. S. is purely vegetable, being made of roots, herbs and barks, and never leaves any bad effects, but instead, tones up the stomach and digestion and builds up every part of the system while removing the poison from the blood. Book with instructions for self treatment and medical advice without charge.

PHILADELPHIA, Nov. 29.—It was a case of the straight punch against the wild swing, when "Young" Ernie, of this city, faced "Young" Kenney, of Lawrence, Mass., at the National Athletic Club matinee yesterday, and the straight punch won the honors for Ernie. It was a hard, fast bout in every round except the fifth, when neither man did anything of note.

### SOMERSAULT WINS FOR ALEXANDRIANS

The Gaelic football team of this city was defeated by 10 to 5 yesterday by the Alexandria Reserves. An amusing incident occurred in the second half when the Gaels were on the Reserves' 30-yard line. Myers, of the local team, was called on to take the ball which he carried to the 5-yard line, where he stumbled, turned a complete somersault and placed the pig skin behind the goal posts.
